

For HS Career Counselors

**uwannadu**

an innovative career research platform

We help students identify the careers they want to pursue  
and the colleges to help them get there

Identify Careers Students Enjoy

Find and Compare Colleges

Work Towards a Clear Goal

## What is uwannadu?

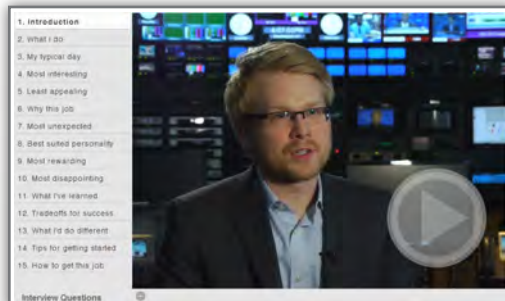

**Uwannadu** helps your students answer the question, "What do I want to do?"

We are a new, innovative way to help high school students choose colleges by first learning about the careers they may want to pursue.

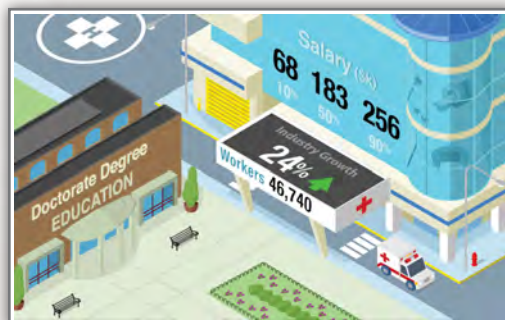

We connect students to this information using the media they prefer. Students can explore video interviews of working professionals, engaging infographics and comparable data about careers and colleges. Uwannadu is free and available on all devices.

Match your interests to real careers

Get insight from working professionals

Quickly access important data

## What uwannadu does.

### We help high school students

- Match their interests to potential careers
- Understand the degrees these jobs require
- Compare colleges where they can make it happen

### We help counselors and mentors

- Engage students with media they prefer
- Expand your reach to more students
- Make your counseling more effective

**uwannadu**<sup>TM</sup>  
matching people to careers, colleges,  
and companies for a better life
