

For College Career Counselors

**uwannadu**

an innovative career research platform

We help students identify the careers they want to pursue  
and the companies where they can thrive

Explore Thousands of Careers

Quickly Compare Careers and Companies

Find What You Want To Do and Where

## What is uwannadu?

**uwannadu** is a new, innovative way to help students and job seekers find what they want to do and where they want to do it.

We provide candid information and a look inside thousands of careers. By featuring video interviews of working professionals, engaging infographics and easily comparable data, uwannadu helps students make their own decisions. Uwannadu is free and available on all devices.

## What uwannadu does.

### We help college students

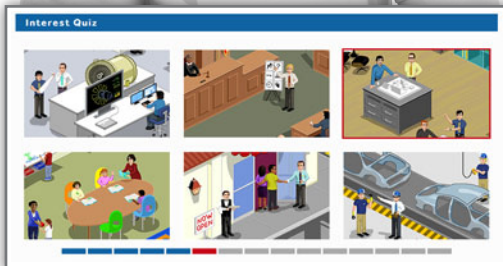

- Explore career options
- Focus their academic direction
- Research companies and opportunities

### We help college admissions offices

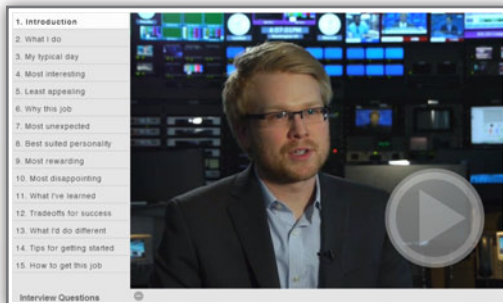

- Reach and engage new applicants
- Showcase your educational benefits
